Stickers™

Early Games Series

Multiple skill level games for ages 4-12.

Encourages children to use their full creativity to design their own sticker sizes, sticker shapes, and complex sticker pictures.

- Children can sticker 100 pictures in 10 categories.
- Children remain challenged and interested as sticker pictures increase in complexity.
- Children select a sticker, color it, rotate it, position it and drop it into a matching shape in an imaginative sticker picture.
- In the "playground" children can create and combine an infinite variety of shapes and sizes to design their own sticker pictures.
- Use of icons makes learning easy, fast and fun.

The Springboard Guarantee: If, within 30 days of the date of purchase, you decide this software is not helping your child's problem-solving and creative skills, we'll give you your money back. Just return the package, its contents and your sales receipt to Springboard, P.O. Box 35809, Mpls., MN 55435, for a full refund.

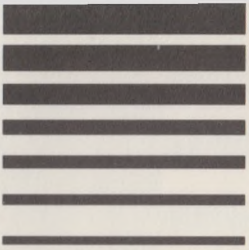
The Possibilities

WARRANTY REGISTRATION

SPRINGBOARD®



Thank you for choosing Springboard programs. When you send in your Warranty Registration card you become an official Springboard customer. That means you are entitled to these special customer benefits.

Springboard Gives You Product Support You Can Count On

Customer Support Hotline

If you have a question, we're here to help you. Most questions should be answered in the instruction manual. If not, you can call our customer support staff at **(612) 944-3912**. It helps if you have your program running on your computer when you call.

Money-Back Guarantee

If you're not satisfied within 30 days of purchasing this Springboard product, we'll refund your money. Simply return the package, its contents and your sales or shipping receipt for a prompt refund.

Lifetime Replacement Policy

By filling out and returning the Warranty Registration card, you are eligible for a Lifetime Replacement Policy. At any time a FREE replacement for a defective disk can be obtained from Springboard. Send the original disk set to avoid compatibility problems along with $5.00 to cover postage and handling. Springboard will promptly send out your replacement provided that the software is still being manufactured at the time.

Backup Policy

As a service to registered customers, this software is not copy-protected. You may make a single backup copy to protect your software investment. Please do not give a copy to anyone else; that is a copyright violation.

New Product Information

Springboard is always up to something new. You can keep informed of new products and of updates to products you have purchased by returning your Warranty Registration card.
